

## Who We Are

RailWorks Corporation builds and maintains the rail transportation infrastructure that keeps people and goods moving across the United States and Canada. We work with Class I and regional railroads, transit agencies/authorities, and businesses and public entities served by rail. With our headquarters in New York, NY, we have nearly 3,500 employees who work at more than 45 offices and hundreds of job sites throughout North America.

### Main Offices

With 40+ field offices across U.S. and Canada

RailWorks Corporation is a growing enterprise that works on some of the most prominent and complex transportation projects in North America. Our industry leadership is reflected in these rankings in *Engineering News Record* (ENR) magazine:

**Top 400 Contractors - No. 111**

**Top 250 International Contractors – No. 201**
